

Hello

Thank you to everyone who has helped to keep our library community safe and well over the winter months by keeping their bugs at home.

Our annual movie fundraiser this year is *The Young Victoria*, the story of Queen Victoria's early rise to power. Discover the passion and romance behind one of history's greatest love stories. Tickets are available from the library, so be in quick and support us to raise money to buy new toys for the library.

Christmas Toy Shopping

The new catalogues for Chalk and Parent Direct are now available.

You can bring your order form back into the library before the 17th October or order online at www.chalk.co.nz or www.parentdirect.co.nz and nominate us when you place your order.

This is a fabulous opportunity to buy and put away toys for Christmas. We had great feedback from those who ordered last year. Remember that the library receives 20% of all orders which means we can purchase great new toys for everyone to enjoy. Your support last year was amazing. Please support us again!

VOLUNTEERS WANTED WE NEED YOU!

The Special Needs Library could not operate without the support of our wonderful volunteers. We have a dedicated team of people who currently help out, but we need more people on Tuesdays and Thursdays. If you or someone you know (grandparent, recently retired, between jobs etc) can spare a couple of hours a week/month, then please contact us on 332 0733.

MARKET DAY 2010

The Committee has decided not to hold a Market Day this year. Instead our next Market Day will be at the end of the first term 2010. So that gives everyone plenty of time to have a good clean out of the toy box or garage. All donated toys will be gratefully received at the Library.

A new website forum has been created by Vivien Field especially for parents, caregivers, family and friends of special needs children. If you feel you need some support or would like to share your experience and help others, then take a look at <http://fieldfamily.servehttp.com/growingpains>
